Kathy Clay-Little Scholarship Fund

Now in its fourteenth year, the Juneteenth Freedom Dinner event serves as a celebration of our community's leaders and innovators and a fundraiser for the Kathy Clay-Little Scholarship Fund at the University of Texas at San Antonio for communications students. Kathy died in 2011, but her spirit and commitment to community and social justice lives on.

To date we have raised \$8,061 for the UTSA Communications Scholarship held in Kathy Clay Little's name. With the minimum endowed scholarship level at \$25K we are \$16,939 away from being able to provide scholarships to Communications majors.

Direct donations to Kathy Clay-Little Scholarship Fund:

Gifts can be made by sending a check to:

Keynote speaker

Dred Scott Madison II, The landmark Dred Scott decision (1857) affirmed that the U.S. Constitution intended that Blacks were not citizens, but be considered chattel (property) and therefore had no standing to sue in federal court and the federal government had no power to regulate slavery that was primarily occurring in the South. Our speaker a direct descendant of Dred

Scott will share his insight. Information is the key to freedom continues to ring out on the 19th of June.
